

SUPPORT BCA through FOOD CITY SCHOOL BUCKS!

Food City recently kicked off its annual *School Bucks* program.

Belvoir Christian Academy is registered as a recipient for these funds, but we also need you to register to help us earn money for BCA!

Enrolling is very easy! The next time you shop at Food City, have the cashier scan the barcode below to link it to your Food City Valucard. Once our BCA barcode has been linked to your card, all purchases made between now and next May will help us earn cash.

You may also visit https://www.foodcity.com/community/school_bucks/ to link the barcode to your Valucard.

Please register as soon as possible so that we may begin earning money from your purchases. The program will run through the end of May 2018. *(We must re-enroll for each school year, so once the program ends in May 2018, we will re-enroll next August.)*

Once you have had the barcode scanned at Food City, please pass this memo along to family members and friends so that they may support BCA as well!

BELVOIR CHRISTIAN ACADEMY
